

8 for '18

Change will take a hard day's work from everyone

I, _____,

pledge at least 8 volunteering hours for Polk County Democratic events and Polk County Democratic candidates.

*

I'm making this pledge because

Join other Polk County Democrats in pledging a hard day's work to further Progressive ideals in our county.

2018 is the time to take a stand. This election season has seen an influx of incredible Democratic candidates succeeding in Republican strongholds, Democratic candidates contesting city seats, and incumbent Democrats being attacked with unprecedented amounts of big money.

The Polk County Democratic Party needs your help, your skills, and your vision to ensure Polk County has a firm voice and unwavering Democratic ideals.
